EXTRACURRICULAR CLUBS - Autumn Term 2026

Autumn Term Club dates:

Monday 5th October to Thursday 17th December (10 weeks)
Half Term holiday: Monday 26th October to Friday 30th October

Dear Parents & Carers,
Please find attached the list of Extracurricular Clubs – Autumn Term 2026. We offer a selection of clubs for different year groups. Clubs are run either by school staff or by external providers. Clubs highlighted in grey are coached by external providers.

There are limited spaces available for each club. We would like as many children as possible to have an opportunity to book at least one club.

Please check what clubs are available for your child's year group, discuss it with your child and **book a maximum of two**. Bookings for more than two clubs per child will be removed at the school's discretion, and your child may lose their first preference club. Please do not book your child for clubs that are not for their year group.

Most of our clubs are usually very popular and in high demand. We realise that no system can be perfectly fair but please bear with us as we try to make sure that all those who want to try a club can do so.

Please note that a club may not run if there are not enough students wishing to attend.

If you have difficulties paying for a club but wish your child to attend, please speak to the school office team and we will try to assist you.

By booking a club you will be signing up for the 10 week course. There will be no refunds for missed sessions or if you have selected a club but changed your mind mid-term.

Parents/carers, please choose clubs in line with your child's interests. The clubs are designed to give children a range of experiences; they are not a substitute for childcare. If deemed unsuitable for individual children, they may lose their place in the club. Parents/ carers will be unable to receive a refund if this is the case.

Children must be collected on time or they may lose their place.

All bookings and payments must be done via Arbor. **The clubs booking system will go live at 5pm on Monday 21st September.** Please log on to Arbor **https://login.arbor.sc/** or open the Arbor parent app if you have already downloaded this app. We have created a Booking Clubs Help Guide showing the step-by-step process on how to book a club, this is attached.

By booking a club, you agree to your child's personal information (i.e. contact details, child's medical information) being shared with the club providers. This consent is valid only for extracurricular clubs your child will be attending. Please understand that your consent to share personal information is entirely voluntary and you may withdraw it at any time.

Best wishes,

Darren Lock
Headteacher
